AURORA SIRIUS

Meaningful corporate gifting, rooted in Saudi craftsmanship.

ABOUT US

AURORA SIRIUS is a corporate gifting house built on a simple premise: a gift should carry meaning, not just cost.

We design and produce premium gifts that unite fine craftsmanship with Saudi cultural identity — pieces intended to mark an occasion, deepen a business relationship, and remain in memory long after they are received.

As a proudly Saudi company, we work closely with local designers and artisans to translate heritage into contemporary form, delivering gifts that are distinctive by design and difficult to replicate by nature.
